URBAN
LAMINATE
COLLECTION
by FLOOR DISTRIBUTORS

Who and what is covered?

This warranty is valid to the original homeowner who purchased the flooring. In the case that a builder or developer purchases the flooring, the occupant of the residential home 12 months after purchase of the flooring will be entitled to cover under this warranty, effective from the date of initial purchase.

20 Year residential Wear Warranty

Urban Laminate comes with a 20-year residential wear warranty validated from date of purchase.

The wear warranty covers wear through the top surface layer (Melamine layer) to the HDF core board in a single area greater than 3cm² within 20 years. To ensure your warranty remains valid, you should ensure that the installation and maintenance instructions are closely adhered to, these can be found in each pack of flooring sold.

What isn't covered?

Scratches, marks associated with wear.

- Damage caused by sharp objects, including stiletto heels, stones or castor wheels etc.
- Warranty generally covers replacement of flooring material if deemed damaged under acceptable conditions of warranty. Charges related to rectification work are not automatically covered, however in some instances reasonable assistance may be offered if authorised by a Floor Distributors representative.
- Other charges such as accommodation, repainting and removal of furniture etc. are not covered by this warranty.
- Any boards that are visibly defective should not be installed and as such would also not be covered by warranty.

72 Hour Moisture Protection Warranty

Urban Laminate is protected with Triton Moisture Protect, effective from date of purchase. This Warranty protects the surface panels from minor moisture for up to 72 hours.

What isn't covered?

- Water damage as a direct result of flood, deluge or appliance failure.
- Damage as a result of improper installation or maintenance, including the use of steam cleaners.

How to process a claim

Initial contact should be made with the retailer your floor was purchased from. Once proof of purchase has been established the retailer who purchased the floor from Floor Distributors will arrange for an inspection of the flooring installed, shortly after which determination will be made regarding the warranty claim.

Only if the retailer is no longer trading, should the consumer make direct contact with Floor Distributors regarding the warranty claim. Only an authorised Floor Distributors representative can authorise a warranty claim.

In the event that a claim is authorised, a remedy will be issued in writing by Floor Distributors. Remedies will be tailored to suit individual circumstances. Remedies can vary depending on the condition of the floor and warrantable area from full floor replacement to the repair of individual boards. The remedy on each claim will be at the sole discretion of Floor Distributors.

Should board replacement be necessary, new boards from the current batch will be supplied to replace or repair boards. This warranty is in addition to, and has no impact on, statutory rights of any purchaser. Claims must be lodged by contacting the retailer from where the flooring was purchased within 15 days of the problem being noticed.

Australian Consumer Law

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Urban Laminate

This product is suitable for indoor use only and should be installed and maintained in conjunction with the installation and maintenance guidelines (available from place of purchase). It is important to avoid excessive moisture (do not install in known wet areas, e.g. bathrooms), direct sunlight or anything that would be deemed excessive in a normal living environment.

Urban Laminate Flooring is resistant to chips, stains and wear but isn't considered "proof" of these issues. Minor gaps in flooring panels as a consequence of seasonal movement are not deemed to be a "structural failure" and as such are not covered by the structural warranty. Occasional noise is often associated with any wood floor, and as such does not constitute a warranty claim.
